CENTRAL COAST FAMILY CARE
FINANCIAL and ADMINISTRATIVE POLICIES

Thank you for choosing Central Coast Family Care (CCFC) as your primary health care provider. Our doctors are committed to building a successful physician-patient relationship with you. Please understand that payment for services is part of that relationship. The following is a statement of our Financial Policy that outlines this binding agreement for you to read and sign prior to treatment.

1. As a service to our patients, CCFC is happy to directly bill your insurance for services rendered, but it is our policy that the person authorizing services is ultimately responsible for payment of all services received. CCFC Providers participate in most health plans. You are responsible for understanding your insurance benefits and providing CCFC with your current address, phone number and insurance information (i.e. insurance card, subscriber name and date of birth, etc.). If you do not bring your insurance card, CCFC may require payment in full at the time of the appointment. Insurance denials for charges that were billed with terminated, outdated or non-effective insurance are your responsibility to pay in full. If and when the insurance pays for the service, we will gladly refund your payment. All services not covered by your insurance plan are your responsibility.
2. Insurance Co-pays are due at the time of service. If you are not prepared to pay the appropriate fees at the time of service, the appointment may be rescheduled. Patients without insurance are required to pay all charges at the time of service unless other arrangements are made. Cash discounts are available if paid at time of service. Central Coast Family Care accepts Cash, Checks, Visa and MasterCard.
3. CCFC requires a Credit Card authorization on file to pay all outstanding balances. Your Credit Card will be charged after the Insurance Explanation of Benefit is received. An additional authorization is attached and required. To make payment arrangements, call the billing office 805-547-1255x114.
4. All services not covered or paid by insurance such as immunizations, copy of records, forms fees, prior authorizations, triplicate Rx, etc., are due from the patient at time of service.
5. Patients who are late for their scheduled appointment may be re-scheduled to a later date.
6. If you do not cancel your appointment 24 hours prior to the appointment a $25.00 NO SHOW fee will apply for standard appointments and $50.00 No Show Fee for long appointments such as pre-op visits, physicals, preventative appointments, etc. Frequent No Shows may result in discharge from the practice.
7. Travel services and Travel immunizations are on a cash basis only. Insurance will not be billed for these services.
8. Patient Balances over 60 days past due may be sent for collection. Payment arrangements can be made with the billing department. Please call 805-547-1255x114 to discuss necessary arrangements. There is a $25.00 processing fee for all accounts sent to a collection agency and the patient may be discharged from all Central Coast Family Care offices for non-payment.
